And the land, He laid it out for the Unaum/Creatures?
In it are fruits and date-palms with sheaths,
grain with husk, and fragrant herbs.
So which of your Lord’s bounties will you both deny?
He created the Ensaun out of dry clay, like the potter’s,
and created the Jaunn out of a flame of a fire.
Gor'aun 55:10-15

Is the land really the entire Earth? Yes it is. But notice how it says "IN IT are..." In other words, it's describing a location in the Earth. But first, what is in this location?

1) Fruits

2) Date-palms

3) Grain with husk

4) Fragrant herbs

So could it be a garden? An island? Most probably. One thing I realised is that, it's not a **SINGLE** garden or island with fruits, date-palms, grain with husk and fragrant herbs. Why didn't Allauh mention these 4 in one verse? Why did he mention 2 (fruits and date-palms) in one verse, then the other 2 (grain with husk and fragrant herbs) in the next?

That's because are **TWO** islands or gardens. One is prominent with fruits and date-palms, while the other is prominent with grain and herbs.

Also notice how it mentions the creation of Ensaun and Jaunn with it.

And note how Zakah1 mentioned that the Jaunn are in fact giants, e.g. Omur Ebn AlKhuttaub. And as he said, the G in "Giant", is meant to be a J.

J Y N = Genie/Jenn/Jaunn

Also It's been said that Omur was so tall, that his feet would hit the floor when he would sit on a horse.

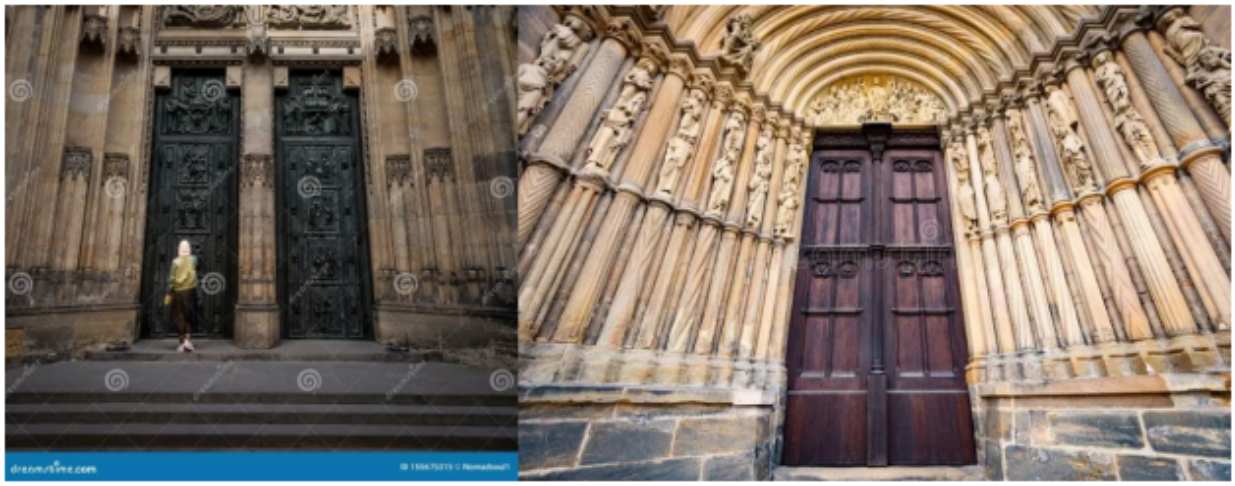
Shaq = 7 ft 1

So it's safe to say that Omur must have been at least 10 ft tall

And as Zakah1 explained, the Jaunn were mostly living in Europe, as there are countless examples of giant doors there, that have remained for hundreds of years till today

Jaunn

Giant doors



But what does this have to do with the island or garden I was talking about earlier? And what does it have to do with the Ensaun? And what's the difference between the Jaunn and the Jenn?

Let me first talk about the difference.

You see I believe that the Jenn have a **CLASS** of giants, but these have wings, and they may resemble humans slightly or fully.

The Tafseer even claim that the Jenn are a group of **Uhlossumau**' (Sky People), and that they were living in the Garden, but were later expelled

They were probably expelled due to following Ebless, as he was the leader of the Jenn, and he was **Muluk Ul-Junnuh/Keeper of the Garden**, which is why he was included amongst the Mulauekuh in the book

"And when We said to the Mulauekuh, 'Prostrate before Audum, 'they prostrated, **but not** Eblees" - **Gor'aun 2:34**

"Once a city built on dreams, Olympus was a **utopia floating in clouds** above Psamathe"

The Jaunn however I believe DON'T have wings, but are exact replicas of Human Beings, with the exception of height and glowing bodies. In other words, they are really tall, and

this is why I believe Allauh mentions them with the Ensaun due to similar biology. Also there was a Danish war commander by the name of "Thorkell The Tall", who is said to have lived hundreds of years ago, so he may have been one of the Jaunn.

Just so you know, the Jaunn were actually living on earth similar to us, and they were prominent in number.

"And We created the Jaunn EARLIER out of a piercing fire" - **Gor'aun 15:27**

Earlier = Men Gubl

"O People/Un-Naus! Worship your Lord, who created you and THOSE WHO WERE BEFORE YOU, so that you may be Godwary" - **Gor'aun 2:21**

Those Who Were Before You = Ulludheenu Men Gublekom

So it's saying that the Jaunn were living on earth the same way that people are living today.

In the video game series Assassin's Creed, there existed a race who are called Isu, and they look identical to humans. They are known in the game as **"Those Who Came Before"**, and are taller, smarter, and physically stronger than humans.

In the game, we're told that they've been extinct for thousands of years due to natural disaster

"Those Who Came Before", Isu

So what happened to the Jaunn during their time?

They caused much corruption on earth and were killing a great deal

"When your Lord said to the Mulauekuh, 'Indeed I am going to set a viceroy on the earth, 'they said, '**Will You set in it someone who will cause corruption in it, and shed blood?**" - **Gor'aun 2:30**

As Zakah1 mentioned, yes, this idea of humans spilling blood was most probably given to them by Ebless, but he never simply made this up.

He used a REAL example of it, which was the example of the Jaunn, but he used this for his own selfish reasons against humans

The Tafseer imply that when the Jaunn were causing much chaos on earth, Allauh sent the Jenn led by Eblees (surprisingly), and the Mulauekuh to fight against the Jaunn, killing them, and banishing them to far off lands, so that they become a minority, and so that a new viceroy can rule earth

In fact, I believe that this was the **REAL** Ragnarok from the Norse Myths, that took place thousands of years ago

In Norse Mythology, the gods and goddesses are called Aesir = Mulauekuh, and their enemies are the Jotnar/Yotnar = Giants = Jaunn

Now here's the relation to the island or garden

You see I believe that there really are 2 islands or gardens on the world map that have been hidden from us. And I believe that these are the places where the Jaunn and the Ensaun originated from. In other words, the first generation were made in labs from scientific experimentation

"The Island of Creation is the place where all life began in Greece. According to legend, it is home to the Sisters of Fate and is located at the very edge of the Greek world"

Island of Creation | God of War

"[Sheena Island] Known in lore as the site of the "second Raccoon City" disaster, the island housed a massive, top-secret bio-weapons factory dedicated to mass-producing Tyrants"

Sheena Island | Resident Evil

And In one of my previous articles, I mentioned a group by the name of Nation of Islam, and I mentioned that they believe in a scientist by the name of Yakub, who supposedly lived thousands of years ago. They claim that he originated the white race, but I believe that they gave a half-truth.

Advanced scientists were on the islands beginning the creation of Man and the Jaunn

Fake World Map Given To Us
https://www.youtube.com/watch?v=ilQOvPeI9T0

Initially I had believed that there was a dome over us, but later I started to conclude through the Gor'aun, that there is no dome like the Truman Show, but a **RAISED** barricade.

In other words, the barricade **DOES NOT** stretch down to the earth, and that there is no wall if we continue heading south.

The reason I'm saying this, is that I used to believe that the earthly kingdoms were beyond the 1st wall.

Although what I believe now, is that the earthly kingdoms are meant to be on the world map, but are censored!

And as Zakah1 mentioned, yes, the Shuyauteen are trying to invade these places, but those lands are highly advanced in technology

"And to Allauh prostrates whatever is in the heavens and whatever is **ON THE EARTH** of beast **AND THE MULAUEKUH**;" - **Gor'aun 16:49**

In fact, UFO videos shown to us by the government are probably fake, especially how they show that they destroy it.

Supposed UFO Being "Destroyed"

https://www.youtube.com/watch?v=1GueHhT1jV0

But I believe that actual sightings may be real spacecrafts coming from these hidden lands

In fact the verse 16:49 about the **Mulauekuh being on earth** is in relation to 6:75

"And thus We showed Ebrauheem the **KINGDOMS** of the heavens **AND THE EARTH**" -

Gor'aun 6:75

Kingdoms = Mulukoot = The abode of the Mulauekuh

"There is a city in the East called Jubulgau/Jabalqa, and a city in the West called Jubursau/Jabarsa" - Recorded quote

Some texts talk about these 2 cities, and mention how they have thousands of well organised soldiers, huge gates, fortresses, and one even mentions that they will assist the Gau'em/Zurgauwe

Organisation in the Kingdoms
https://www.youtube.com/watch?v=LDWoanqPqIE

Due to how secure and organised the kingdoms are, you can only go to these places if you are GIVEN PERMISSION.

"But you will not pass through (the confines of the heavens and the earth), except by an authority" - **Gor'aun 55:33**

The hadeeth implies that ONLY THE SINCERE and those free from deceit, envy and all aggression can enter the Kingdoms of the Heavens and the Earth. Just like we have reports of some the Righteous entering Jubulgau and Jubursau.

"Contemplation on the Kingdoms of the Heavens and the Earth, is the worship of the sincere" - Hadeeth

And Ebrauheem saw and entered Kingdoms whilst he had a pure heart

"When he (Ebrauheem) came to his Lord with a **sound heart**" - **Gor'aun 37:84**

Sound heart = Free from Deceit, Envy, Aggression - **Tafseer**

This is also why the whole talk about building a WALL around America by Trump was really to copy the Earthly Kingdoms.

Trump, Truman Show = Copying the Kingdoms

Stephen King, Simpsons

As I've mentioned earlier, the Kingdoms have advanced technology for defence, and have control over tidal waves, and are able to protect themselves from the enemy in the air (the aircraft of the Kaufereen)

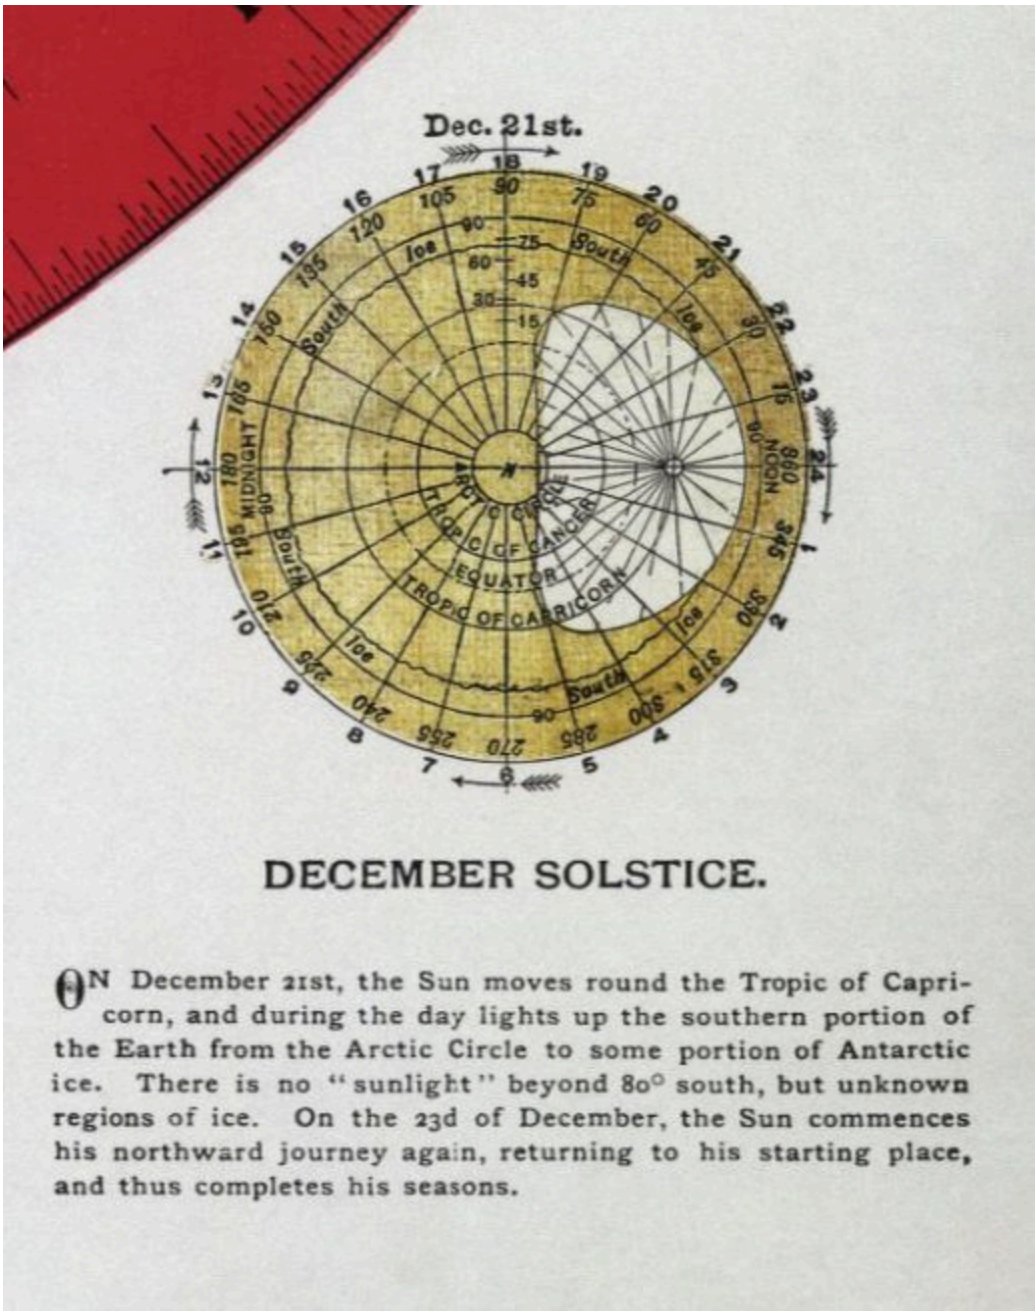
Gleason's New Standard Map of the World

"There is no 'sunlight' beyond 80 degrees south, but unknown regions of ice"

https://collections.lib.uwm.edu/digital/collection/agdm/id/20577/



Dec. 21st.
DECEMBER SOLSTICE.
ON December 21st, the Sun moves round the Tropic of Capricorn, and during the day lights up the southern portion of the Earth from the Arctic Circle to some portion of Antarctic ice. There is no "sunlight" beyond 80° south, but unknown regions of ice. On the 23d of December, the Sun commences his northward journey again, returning to his starting place, and thus completes his seasons.

So if we were to continue walking south, we would be in absolute darkness, as sunlight would not reach that boundary

The question is, can and do the Earthly Kingdoms exist even there?

Dark City 1998, No Sun, City is in Perpetual Darkness

I even remember once that a text implied that Dhol-Gurnuyn marched south with his troops for a long time, looking for mystical cities, but he had to turn back because of how dangerous the journey was becoming
